

Storica Verde

Liqueur
25% vol.

Raw material

Ingredients
Alcohol, sugar, extracts of plants and aromatic herbs

Ageing

-

Refinement

-

Serving temperature

18°C or with ice

Slightly sweet and spicy liquor obtained from the slow maceration of selected plants and aromatic herbs in alcohol.

Thanks to the low alcohol content, its flavour is characterised by an elegant balance and a pleasant persistence.

The fine components obtained from plants give the fresh aroma that distinguishes Storica Verde, making it at the same time so versatile .

Intense aroma, scent of plants and aromatic herbs: a unique taste for the perfect end-of-meal liqueur. Sip Storica Verde at room temperature to fully enjoy the delicate aroma. Enjoy it fresh to appreciate its intensity and character. It is perfect as aperitif. Also suitable for all kind of sweets, especially for artisanal pastries.
